“ Janice - please know that I am thinking about you and your family at this really sad and difficult time. All of you are in my prayers. I know from experience that an unexpected death like this leaves more than just sadness - lots and lots of difficult feelings. I also know that, in time, the hurt, anger and grief get easier to bear. That doesn't help much in the middle of it, I know, but it does get better. Please let us support you in any way we can while you grieve. You are loved and cared about by a lot of folks in this office.....hang in there. Love, Kelly
