Missing you everyday my dear Josh. I see you at angel time and I know you know my Dad is in the process of passing on to the next life. I pray you two can spend time together and have good chats and both be with your beloved dogs! Keep sending me messages my dear friend. Oh how I wish you were here!!

“ Josh would join us on our early morning training rides with the Harvard team. He rode from Waltham to meet the group in Belmont, and would pass him in my truck on my way to work where I would get on my bike and join him.

Josh was a kind, smart, helpful and generous guy. He gave a lot of himself to help the team. I haven't heard from him since he moved from Waltham, but I hope he was happy and healthy, and that his passing was peaceful.

“ Josh's Family: My condolences. I think of Josh as great neighbor & friend. We lived in Waltham's Bishops Forest, Josh #6; we #1. When Josh left for gracious Southern living; Josh asked me to handled the sale of his townhouse. We did that successfully. I will appreciate an opportunity to speak to a member of Josh's family. God's speed Josh; Rest In Peace. David Kaloupek 617-794-6283 mobile

“ *Sending Josh's family my deepest condolences! I pray for your comfort during this very difficult time.*

Josh was a beloved friend. Although we lost and then re-gained contact many times through the years, there is and will always be a very special place in my heart for Josh. He was a kind man and was by far the most intelligent person I have known. He was a great teacher.

We shared many experiences including travel, securing a race car and transitional life changes. I am heartbroken and pray that he is in PEACE. I will miss him dearly.

-My Dearest Beloved Josh, may you be adorned with the most glorious of Angel Wings and I will look for your presence at every Angel Time. Rest in PEACE my dear friend.

Always,

Ginny Vincenzini

My family and I were just sitting around the table and I was reminiscing about my years at HBS and my closest friends. I told them about Josh, looked him up in the directory, and was heartbroken to learn of Josh's passing. We were good friends at HBS and studied together every day during our first year. He came to my wedding between our first and second years which I so appreciated. He loved cars and helped me find a car in Boston. I have so many happy memories of Josh. What a wonderful person....Cynthia
