“ To Tanya and family,

Joyce was an amazing mom and I feel blessed I got to spend my childhood years in her presence. Many fond memories of our years together growing up. She was like a mom to many of us! She will be greatly missed!

“ Kelly, Tanya and families,

My heart goes out to all of you. The losses that you've had over the past few years are many, but your memories of those that have past away and the love you have for those still here with you, will help you to get through every day. I have many memories of your Mom as we were growing up, she was a wonderful woman. Heaven is a better place because she is there.
