“ We do not walk alone in this life--there are others whose journeys are interwoven with ours. Ron, you and Judy have touched our lives in profound ways. . .sometimes in just the quiet, unspoken kindnesses you have shown us along the way. Lives are brought together for a reason--we are grateful and feel blessed that you have been a part of ours.

“ Jeri, Susan and Mr. Lash,
I am so sad to hear about your Mom / Wife passing. What wonderful memories I have of her while growing up in West View. The pictures brought so many of those memories back and just the way I remembered her. Treasure those memories, they will last a lifetime. Although no words can really help to ease your loss, just know that you are very close in every thought and prayer.
