“ Judy was our neighbor when I was young, in Illinois. She was always so cheerful and wanted all the kids in the neighborhood to be in her yard. She loved it.

“ Judy was such a sweet lady and truly liven up the room when she came in. She was always helpful and offer a warm smile or hug when you needed it. I had the pleasure of seeing her at our pathfinder reunions and gatherings with Ken, our National Pathfinder Association Chaplain. I know your with the rest of the angels looking down on us with a warm smile and saying "don't forget to smile and say i love you to someone. We will miss you!

“ My favorite memory of Judy is that she and Ken accompanied us on John and my honeymoon. They made our honeymoon so much more fun. We liked to tell people about our arrangement. I had never been to Branson before. When Judy told me and her brother they owned a time share there and we were welcome to use it. I told her the only way I could do that was if she and Ken went too. They made my honeymoon so much fun. But she was that way. Always offering whatever she could do for anyone. I will miss her so much. We called each other "sister" because we loved each other from the first time we met. RIP my sweet "sister"
