“ *Sweet sweet Judie, it did not matter where we were or what we were doing, fun was always to be had. She had a big heart and a gigantic spirit and she shared them both with everyone she knew. I have never met anyone quite as amazing as Judie. I have such wonderful memories of sitting on her back patio enjoying her favorite Mike's hard lemonade and laughing the whole time, oh how we laughed, sometimes until we cried. I am a better person for knowing Judie and so is everyone else who met her. I will miss you so very much but you will always be in my heart. We will see each other again!*

“ *My beautiful Mommy. I will love you and miss you more than anyone else. You were my best friend. I would not be the person I am today if it were not for you. Till we meet again R.I.P.*
