“ *To the family of Dr Judy Lasher, I am so very sorry of your loss. Dr Judy was a big part of my life when I lived in FI. She help me with all my medical issues, and kept me always thinking possitive. Dr Judy was a very caring and kind person, we shared many lunches and cat stories during my many years of knowing her. I am truly sorry and will miss her.*

“ When we lost Judy, we lost an extraordinary person. She was everything to our family. Judy was more of a Sister to me than my real sisters. She was a mentor & teacher to my sons & most of all she was a great, loving & caring friend. If you needed anything at all, Judy was there for you. Even if you really didn't need it, she had it! As most of you know, Judy was "The Great Networker"! So, for example, she would ask, "Do you need a space heater?" or, "Doesn't your Husband paint on the side? I have some jobs lined up." (She knew everyone!) In the 13 yrs that I knew her, I mostly loved to just hang out at her house & watch movies & relax. Judy was a most gracious hostess. I could go on & on about her good deeds & how much everyone adored her, but there just is not enough space for all of how remarkable our Judy was. She did say my voice sounded like "Dorothy" from the Wizard or Oz. (Always a movie!) Just remember what the Wizard said to the Tin Man in the end (and this is ALL Judy!) "It is not how much YOU Love, but how much you are loved by others..." We love you & miss you so much, Judy. -Kim, Val, Will & Drew
