“ *I did not know Julian, but I know someone who did know him. He was described as being an intelligent, lovable hug. You and your family are being carried in my heart.*

“ *May God's grace give you strength during this extremely difficult time. During Julian's time on Earth he brought joy and happiness to those who had the privilege of knowing him. Remember the happy times you had together and take comfort that he is at peace now. I am so sorry for your loss and your family is in my prayers.*
