“ *When I moved to Florida and started work at PCC Tile in March of 2006 you were there to welcome me each morning until you retired. The office was always a hoot we had such great times and I have great memories of our many hours working together. You were not only a co-worker but a friend , you took on my than 4 year old son DJ as your own grandson, you were and always will be Grandma Julie. We love you so very much , when you spoke to DJ and me a couple weeks ago we were so excited that we were going to get together for lunch, unfortunately that day never came and for that we are sad. We Know you are with Richie and happy. We love you and will miss you each day.*

My condolences to your family. I will be out of town on July 27th and not able to come to the memorial service but will be thinking of you all.

Till we meet again,

Veronica, Duane and DJ Heller

When my husband, " your baby brother" Michael died.....you took me home with you and cared for me until I was able to go it alone. I love you and I will never forget all the wonderful memories and fun times we shared. With ❤️ your Sister in Law, Donna
