

Julianne Begeman

March 8, 1954 - July 22, 2018

On Saturday July 22, 2018, Julie (Wunderle) Begeman of Naples, Florida, passed away peacefully at the age of 64.

Born Julianne Wunderle, she grew up riding horses and enjoying the outdoors in Huntingdon Valley, PA. She was proud of her confectioner heritage, reminding everyone at any opportunity that the Wunderle Candy Company invented candy corn. She attended Upper Moreland High School where she was voted "Class Clown". She graduated from the University of Delaware with a degree in Horticulture. After practicing real estate in Pennsylvania, she relocated to Naples, Florida where she has lived since 1989, enjoying the beaches and swimming, warm weather and working in her field of study as an Extension Agent for the University of Florida/IFAS, leading the Master Gardner program and publishing "Plant of the Week" articles for the Naples Daily News. She then worked as a Guest Teacher for the Collier County Public School System and continued to hold that designation until her passing.

Julie's love for horticulture and tropical plants was exceeded only by the love she had for her family and friends. She is survived by her mother Mildred O'Connell, brother P Justus "Justi" Wunderle, soulmate and partner of 22 years Jack Rich, her daughter Mariel (Jason) LiCausi, step-daughter Claire (David) Lottman, four grandsons (Parker LiCausi, Derek, Dylan and Jacob Lottman) and Katelyn McDaniel, who she loved as a granddaughter. Her boundless energy, curiosity, empathy, humor, and vibrant personality will be

remembered and greatly missed by all.
