“ June and I were good friends in Cornwall. She was one of the nicest people, and was liked by everyone who knew her. We've kept in touch through letters and cards over many years. I will miss her. Please accept my deepest sympathy on June's recent passing - her friend Betty.

“ Just so sad about June's passing. Thought she would still be working as a real estate agent until she was 100! So sweet and caring and always concerned for our family. She was a wonderful friend, associate and "family member" since Vince worked for Roy Real Estate way back when. We know she is with the Lord (and Roy) now and busy caring about everyone in heaven. God gained an angel. Love you June!
