“ I met Kallitha when we were in 6th grade, I remeber the first time I talked to her we were out in P.E. And she didn't know anybody at the time so I started talking to her and ever since then we became very close friends. Every time I saw her she always had such a bright smile on her face. Seeing her always made my day. She had such a huge impact on a lot of our lives and She will always have a special place in my heart. I love you BRO - Nyah ❤️❤️😭🙏😭

“ I just met kallitha in 6th grade but even though we barely knew each other we were very close from day 1. I honestly miss Kallitha so much and thinking of how much fun she would be having in highschool "bro".If you were having a bad day and you saw Kallitha you would smile , she always brought cheer to everyone that is why it is so hard for all of us to get over it . We all miss her so much . Prayers for debora - Kaydence " your lil sis"
