

## Karen Marie Daley

May 7, 1948 - January 6, 2023

Karen Horn Daley (Kim) age 74 passed away peacefully after an illness on January 6, 2023. Kim was born in Charlestown MA to Dean A. Horn and his wife Elaine (Duhn) Horn. She leaves behind her two daughters, Sondra Morrissey of Scituate MA and Lisa Hussey and her husband Ian, of Quincy, MA, grandson Brandon Dowdy, great grandsons Collin Dowdy and Jackson Dowdy and her great granddaughter Addison Gonzalez. She is survived by her sister Deanne McClintock and her husband Douglas, and many dear nieces, nephews, cousins and friends as well as Thomas Seed, her first husband who jointly helped to raise their two daughters. Kim was preceded in death by her granddaughter, Jamie N. Dowdy and her loving husband, Thomas E. Daley, a Vietnam veteran with whom she will be laid to rest in Arlington National Cemetery. Kim grew up in a military family. Her father was an officer in the U.S. Navy whose career brought the family from coast to coast. This probably sparked her lifelong love of travel and adventure (especially to tropical destinations). Kim was a long-time resident of Hull, MA until she and her husband retired for the warm and sunny beaches of Florida, first in Bonita Springs and in later years making Fort Myers their home. She kept in contact with lifelong long friends. Amongst her dearest being Ann Heeney and other members of her 1966 graduating high school class at Traip Academy in Kittery, ME. Kim lived a full and storied life, she excelled at everything she put her hand to—earning her college degree, being an accomplished seamstress, remodeling houses and refurbishing antiques--

turning the most unlikely finds into treasure. She loved being a grandmother. She enjoyed doting on her grandchildren, taking them on outings to the movies, theme parks, attending their various school and sporting events, holidays, birthdays and sleepovers—always supplying them with the little extras that they loved. Even as she slowed down in her later years, her home was always a haven for the ones who needed her. Kim is dearly missed and will be remembered for her kind heart, listening ear and warm embrace. You felt special and knew you were loved as her term of endearment for you was Sweetie. The family invites anyone who would like to share a special memory of Kim to please post one @ <https://www.gendronfuneralhome.com/obituaries/Karen-Daley/#!/TributeWall>
