“ *Karen and I attended Angell School together and we were both flute players. We had lots of good times and even dated brothers at one time. She was always ahead of me in the flute section but that was OK because she was good. I am very sorry to hear of her death. She had not written to me for some time so I did not even know she was ill. My prayers are with her family and friends. Blessings to each of you. Linda Lundholm Liddle*
