“ Fred and family: We were so sorry to learn of your loss. I have been communicating with Annette since 1998 when we bought our house in Florida. We had never met face to face, but we always teased about being good "phone pals". She was a lovely human being and always helpful. She always teased me about my "up-north" attitude about "bugs". I will miss her smiling voice on the phone. Peace and blessings to you all. Barbara and Frank Johnson Six Lakes Country Club
