“ *There is no words to express the wonderful woman Karen was, and the super heart she had. It is a shocking reality. It is not easy to admitt. Is going to be painful to come to work and do not see her active and worried about resident well-being. We even going to miss her screaming when we were doing something wrong hum..I love you Karinda. I was so blessed to have you as a real friend. Thank you for the time we enjoy together and all the experiences you taught me. Thank you for always been there for me and my son. You will always be in my best memories. Today I am not saying bye I just want to tell you see you soon. There is going to be a day where we can sit again all together and have fun again...*

Karen will be missed by all the residents at Sterling House of Cape Coral. Her dedication, compassion and love for all are all the things that made her a wonderful nurse. Rest in peace, Karen...you are in God's hands and He will now take care of you as you have taken care of people your entire life on Earth. Lois Holohan and Valerie Zaleski
