“ Aunt Theresa and Carl...I wanted to share this poem with you...and give you both a big hug...Kat was a kind, thoughtful and inspirational person...

Love Lives On

*Those we love remain with us for love itself lives on,
and cherished memories never fade because a loved one's gone.*

*Those we love can never be more than a thought apart,
for as long as there is memory, they'll live on in the heart.*

“ *If tears could build a stairway
and thoughts a memory lane
I'd walk right up to heaven
and bring you home again
No Farewell words were spoken
No time to say good-bye
You were gone before I knew it
And only God knows why.*

*kat, there are no words. you're a beautiful person on the inside and

“ Kathy will be greatly missed by all, her smiles, laughter, her big heart and her caring ways. I send my deepest sympathies to Carl and Kathy's Family. She was one in a million and loved by all and still is. The Rehab Dept at Mercy Home Health was Kathy's stomping ground and trust me it was really hard to fill her shoes. I learned so much from Kathy when I worked with her in the Rehab Dept. it was very hard and sad to have her leave us here at Mercy but she had a dream and made her dream a reality by moving to Florida. I miss you Kathy...we all do.

“ Aunt Kat, my family and I miss you so much it's almost impossible to put it in words. You were more than my aunt and godmother, you were a friend and the light of my uncle's heart and it was evident every time you were together. Your love for each other and the pain I have in my heart even writing these words says more than any story possibly could. They always tell you that the way to measure a person's worth is by looking into the hearts of those they loved, and that couldn't be anymore true than it is right now. Aunt Kat, there is a gaping void in every one's heart right now knowing you're not around, and it grows deeper everyday. Yet, I'm confident it will change with time as all things do, and heal with the fond memories, love, and laughter that you provided us all with. It is in this place in my heart, Aunt Kat, which you will always stay, and remain for the rest of my days. Thank you for the love and understanding that I grew to depend on, and every book that you ever gave me, which are all still resting on my shelf very worn and very loved. I won't open another again without passing a smile for you. I love you and miss you every day.

Love,
Alex

“ Kat was a wonderful and loving friend. Her passing is a great loss not only to her family but to all of us who knew and loved her. Anthony and I were able to visit Kat and Carl in Florida just a couple of weeks ago. Even in her failing state, Kat cared enough to ask about our daughters and was excited to hear about what they were doing. That is so typical of Kat! We will miss her -- We will love her -- till we meet again -- xoxoxo

“ *Carl and family,
So so sad. My heart and prayers go out to you.
I knew Kat when we started in the nursing program @ DCCC together, and we rode to clinicals together every weekend because we would have been too nervous to go solo. She had the quickest laugh, the brightest eyes, and the biggest heart. She talked about her family with such love all the time, and she always had a great story about Carl, who she loved beyond words.
We didn't keep in touch much after our school paths changed, but she is the kind of girl who just always had a smile and a kind way about her. I am so sorry that she left this world so soon, so heartbroken for you Carl, and she will be greatly missed. Much love to your family. Loretta*
