“ *My sympathy goes out to you 3 children who are left...Billy, Bruce, and Brenda. And all the grand children and great grands. I remember your dad, mom and you kids coming to see us. When I was about 12 to 15 your dad always called me "dimples" because of my dimples. Kathleen was always a lot of fun no matter what we were doing....hunting, fishing, camping, etc. She was also a strong lady and handled things as they came at her. She was a beautiful young lady with long gorgeous hair.*

*She was 15 when I was born.*

*Her life was a long one but a life full of overseas traveling and living as well as doing all the things she loved to do. Plus living long enough to see so many grand children and great grands to grow up. I am sure she shared a lot with you all and she was always taking care of someone.*

*We will miss her, too.*

“ Kat,  
I am wanting to thank u from the bottom of my heart ❤️ This women changed my life for the better. I have been thru so much this year. But we both knew how much you loved George Strait and Allan Jackson. I am really gonna miss u and your beautiful smile. Your smile lit up a room everytime it was dark. I'll never forget the mornings we would watch GRIT TV now it's time to be free and watch all of us down here supporting us from weak roads to successful pathway. Grandma I'm really gonna miss hearing about your childhood. But I always will be that shy man u knew. Even tho your gone your spirt is with us forever. Thru the deep tunnel and the beautiful valley you'll bring sunshine wherever we go.  
Fly High and remember once a Trubador always  
I cross my heart and promise to.  
Love your special grandson
