

Kathy Lynne McNERney

December 28, 1966 - May 2, 2017

Kathy Lynne McNERney, my beautiful loving wife, mother, sister, grandmother and friend. I love her. Kathy is survived by her wife, Susie Gordon, daughters Cassandra Nichole and Tausha Urbano, son and daughter Trevor and Ashlee Jessup, grandsons Damian Jose Reyes Urbano and Antonio Lee Alfonso Swanson and granddaughters Lilly and Mia Jessup, siblings Tammy Neves, Michael McNERney, Dawn Quintana, PJ McNERney and Sunny McNERney and the many friends and family whose life she touched. She was born in La Junta, Colorado on December 28th, 1966 to parents Michael Guy McNERney and Linda Sue Eversole. After Colorado, she spent a short time in Atlanta, Georgia and nearly twenty years in Virginia before she finally arrived where she was destined to be Sarasota, Florida. She earned her cosmetologist license when she was 18 and devoted her professional life to the art. Being a hair designer and an educator for Paul Mitchell brought her joy and energy that she carried with her no matter where she was or what she was doing. She always had her scissors with her and a line of friends and family eagerly waiting. She spent much of her free time in her sewing room making one thing or another for her family and friends...blankets, quilts, Easter baskets, packages for any holiday, beach themed Christmas decorations or anything she could imagine for you. Though she was born in Colorado, her heart was with the sand and ocean. She thrived when she was in the sun, feet in the sand, in the ocean or on the boat. Most importantly, as everyone who met her will attest, she was the kindest, most loving and giving soul. If you needed

help, you did not have to ask, she was there. Everyone she knew was better for knowing her.

She was passionate about St. Jude and so we ask that you please donate in lieu of flowers.

“ *My wife Deb and I are so sorry and saddened by the tremendous loss of Kathy. Although our knowing and spending time with her was short lived itself, she left us with love and an impression that will never be forgotten.*

She was an angel with a heart of gold , and went above and beyond in doing things for others. The quilt she made us will be loved and cherished forever in her sweet memory.

My God take care of her, as well as all of her family and friends at this time of tremendous grief and sadness for our loss.
