“ After Roger Patrick died, I cried every day for a year. I didn't know if I could go on. He was my soulmate and Kay's younger brother. Every time I saw Kay, she was so empathetic. Kay understood my feelings. She encouraged me to visit her in California and I did. Kay taught me how to live again and smile while doing it. Will miss you immensely. RIH girlfriend. See you soon!

Kay helped me immensely to get through my grief when my Mom died too!!! She was an amazing woman, who turned out to be not only my Aunt, but second Mom and best friend! I'm grateful for the wonderful quality time I had with her while she was here in August and September!
