“ *To the family of Kelly Abrums, I am so very sorry for what must be an overwhelming loss. I had the privilege of knowing Kelly when she was a little girl. She was always an incredibilty sweet child, who loved her family unconditionally. She absolutely adored both her older brothers & was always a joy to her parents. I can only imagine what a wonderful selfless mother she had become. No one deserves what happen to her, but because she was so special & so loved it is such a great loss for the Brown family. I am keeping all of you in my prayers. Please know how much people thought of her and how loved she was! Jimmy & Danny you were both awesome brothers to her and I am very sorry for u both. Always remember that she knew just how much she ment to both of you!*
