“ The childhood memories of my dear and beautiful friend Kelly Jean will live forever in my heart. I remember how excited I was whenever our families would get together to visit. Although our families were not related, Kelly and I called each other "cousins". We had a blast running around Canal Days, renting canoes, and even had fun getting up at the crack of dawn on the weekend to "help" with her brother's paper routes. Kelly touched the lives of so many through her scrap booking. Her love for her family can be seen in the pictures she took and so proudly displayed. Blessings and strength to the Lancaster, Ward, and Seals family.

“ KEVIN, Please know of our concern for you, your children and all your family at this very tragic time in your lives. Though our time together at New Hope was brief, you and Kelly made a tremendous impact on Linda's and my life. Know, too, of our prayers for our great Comforter to give to all of you his peace that passes understanding. Steve and Linda Sallis

“ Some of my favorite childhood memories were of visiting the Ward family and running around Canal Days with Kelly. We had so much fun renting canoes and getting stuck in the shrubs, nearly tipping over, laughing to tears..we always felt more than just "family friends", so we called each other cousins. Kelly was such a beautiful and beloved person who touched the lives of many, especially through her scrap booking. Although we lived far apart, I could see her love for her children and family through the photos she took and proudly posted on her site. It was an honor to know such a wonderful, giving person. Her memory will remain forever in my heart. Blessings & peace to all of her loved ones.

“ Kevin and family- our hearts and prayers go out to you in this tough time. We have fond memories of Kelli in New Hampshire, babysitting our kids, being locked out her house and needing help, meeting her future husband and falling in love, or just the wonderful smile she always had for everyone. You have been blessed to have her as a wife, mother, sister and daughter. God Bless you all.
