“ *•To the Fuller family from my family: Our sincere condolences to you on the departure of your love one. Though separation with our love ones is never easy, may you be comforted to know that due to his personal relationship with his Savior and Lord Jesus-Christ, he is now with his Maker leading the path as a caring husband, Father, and Grand Father for you to have the opportunity to be reunited with him one day. May the Lord strengthen you all in this difficult time.*

“ *Talking about loving the Lord. Ken was always so excited about his faith in Jesus Christ. Even when things were not great he still praised God. One of my favorite things about Ken was his dancing at Church. Ken you will be missed but knowing that you are in the presense of Jesus makes my heart happy.*
