“ *I believe the only true measure of a man that means anything in this life is the love and admiration of your wife and children. Ken Still was an absolute champion !! With a marriage few achieve to a beautiful ,devoted,loving wife of over 4 decades , three beautiful children who love, respect, and admire him in a way that would humble any man . Four if you count me, And grandchildren to carry on. He was an inspiration and a guide on how it's done !! Loving, proud, honest, strong, and selfless !!*

*I promised you when I asked for your daughters hand, That I would love and take care of her. I won't forget the things you asked of me in our private talks. I will give all I have to make you proud . You will leave a space that cannot possibly be filled. you will be missed every day. You fought a courageous battle with dignity and honor, worried only about your family, never yourself. Take a well deserved rest Ken Still ..... You were an example of what it is to be a man . God bless and keep you in peace and love*
