“ Kerry was the light of my life and i will miss her deeply. She was the strongest women i ever met and was my rock. I know she is no longer suffering and in a much better place. I love you baby!

Tim wood - February 19, 2020 at 12:50 PM

Kerry was a very close friend back up in Boston. I came accross this by accident. I would like to get more info. You probably dont know me Tim, but if you see this, please email me at jwe971@gmail.com
