“ *It seems like it was just yesterday that I was talking to Kevin in my kitchen. He will be sadly missed here at our home as he was my best friend & was even a father figure to my daughter, Bri. Our condolences to his entire family. We will miss his smiling face. Praying that time can start to heal this void in all of our lives who knew Kevin.*

“ Kevin, I have not seen you in 20 years, after high school we moved on and I was unfortunate not to have known you as an adult. I remember the days of high school like yesterday, how you had a wonderful smile and was there for everyone. You my friend are one of a kind. I will always remember you, the amazing smile and friend that you were. I will think of you often and hold those memories close in my heart, fly with the angels now and be free, it is so sad that you had to leave but Heaven sure has one heck of an angel! Goodbye my friend, I hope to see you again. With Love Jennifer Dawley (Yoder)
