My brookiewook was an angel here on earth. God decided he wanted his angel back. I don't know how I'm going to live without her. She was my person. My world. My life. I will miss her forever.

“ Thank you for being the best thing that happened to me. Thank you for all the laughs, the smiles, the sass, the jokes, and love. Lots and lots of love. I'm going to miss you making me go to McDonald's at midnight to get you a frappe. I'm going to miss you sassing me until you got your coffee. I'm going to miss you play fighting with me. I'm going to miss your cooking. I'm going to miss every.single.thing about you. You will always be my wife even though we haven't gotten the chance to make it official. This still doesn't feel real to me and I'm not sure when it will, but please watch over me and protect me from any evil. Watch over your mom and showering her with your love like you always do. Watch over brittany, Kayla, Nick, the kids, Lauren, and everyone else you have touched. Rest easy my beautiful wife. I'm going to miss you like hell 😞❤️
