“ *Kurt and I have been friends since we were kids in Andover. We traveled the country together as teenagers and though we haven't seen each other in many years we have always kept in touch. Speaking on the phone a couple times a week. The last couple years has been very rough for him as he's battled the cancer. .R.I.P. Kurt may we meet on the other side. You will be missed*

“ *Rest in peace Kurt - you have fought hard and long...I know that God's wind has filled your sails and brought you to your place in Heaven.....Thank you so very much for being such a good friend of my brother for all these years....There are few people in one's lifetime that remain true friends over all the miles and all the trials.....We're so blessed that you were one of ours.*

“ I met Kurt in 2001 through my husband Michael Cartwright. We were visiting from N.C. at Mike's mother's home. I had recovered some dining chair cushions and he liked them so well, that he asked me to cover some cushions for him. I bought the fabric, and made new covers for him and sent them to him. Since then and since we have moved in with Mom, we had become good friends. Kurt Mom and we miss you. Rest in Peace.
