“ *I am so very sorry for the loss of Kymerlee. She was truly a kind and good hearted person. Every time I saw her she had a smile on her face and was so full of life. I am glad that I got to know and work with such a fantastic woman. I know that she is in a much better place although her time came way too soon. Her family will be in my prayers through this tough time. Kymerlee will always be in my thoughts. She will be missed and never forgotten.*

“ We extend our warmest regards and condolences to her loving family.

KyMBERlee was a pleasure to know and to share special moments of life! She did her job function well and related warmly and efficiently to those who called for assistance.

She is missed and will continue to be missed -- Yet we rest in the peace that she and her Creator are together again. He knew her before she was formed in the womb, as the bible records.

May GOD bless her family and comfort them during these times of sad adjustment.

Kindest personal regards,

j houba
