“ *Dear Lance, Although your years were way too few, we loved you for every one of them and for the kind, gentle man you were. We will all carry your humor and special way of showing compassion for every living thing in our memories forever. You were a strong soldier for the U.S. and the Army appreciated your service years as much as did all of your friends and family. We miss you already and know one day we will be reunited. Love, always, Your sister, Jennifer*
