

Lanette Anne Thorpe

March 27, 1975 - March 5, 2023

Lanette (Lana) Anne (Lampar) Thorpe, 47, of Lehigh Acres, FL passed away in her home surrounded by her family on March 5, 2023. Lana was born the second of five children on March 27, 1975 to Mark Lampar and Claudia Lampar (Schmuck) in Mt. Clemens, MI.

Lana met the love her life Mike in Chesterfield, MI over 30 years ago. They married in Richmond, MI on July 18, 1998. They enjoyed many excursions on their Harley and loved to entertain family and friends with their annual hayride in Yale, MI. Mike and Lana's hard work and dedication together with Lana's love of the heat and sunshine led them to their dream home in Florida.

Lana was kind to everyone she knew. During family events and get togethers with friends, she was always making her rounds and could start a conversation with anyone. In addition, as a real estate agent and a waitress, she made many people feel comfortable in putting their needs first. She was very nurturing to all of family, nieces, and nephews. In her free time, you would catch her at the beach, on a boat, or near the water. Her personality could best be described as summer – bright and warm, filled with love and great memories. Without the light of the summer, we are left with only a beautiful ocean sunset of the love she leaves behind.

Lana is survived by her devoted and loving husband Mike; parents Claudia

(Mike) Schmuck and Mark Lampar; sisters Andrea Sucura and Nikki (John) Capizzo; and many nieces and nephews. Lana was preceded in death by her sister Carla and her brother Gregory.

“ What can I say about Lana ? There are no words . We shared so many memories. I remember the first time you showed me the house in Capac . I wanted to cry , but you said wait til you come again . She was right ,Mike transformed that home into a show place . Mike I'm so sorry for your loss. I knew from the day of your wedding . It was going to be til death do you part . Unfortunately it came too soon. Lana you watched my girls grow into women and mothers . They loved you so much as I did . To your family I can't even imagine what you are going through. I know Carla was there to meet her . To your Mom and Dad you raised a beautiful soul . When she entered a room her smile would light up the darkest space. Nikki and Andrea I know you lost a best friend cuz that's what sisters are. Are first best friend's. I can say for me everytime I hear a eighties hair band , or watch The Wedding Singer, or smell the aroma of coffee and onions I will think of you and it will bring a smile to my face . I will miss our birthday phone calls and the way we could pick right up where we left off no matter what. I will miss you my beautiful friend. Fly high angel your pain is gone . Heaven surely gained a true angel. You made me a better person just by being my friend. Rest in peace .
