“ *So sorry to hear of the loss for Larry's family. I met him around 1967 when he & 4 friends came from St. Mary's, Ohio to Newark, Ohio to visit a mutual friend. I saw him again in 1969 when he was living in Columbus, Ohio. I always wondered what happened to him & was told he moved to Florida. He was always nice & I wish we could have kept in touch. I hope he had a great & happy life.*
