“ *My sincere sympathy goes out to the Bisbing family on the passing of Larry "Coach" Bisbing. He's with me every time I watch a baseball game and the pitcher walks a batter. When I played for Larry, he would always say "a walks as good as a run" and I hear him say that to this day. He was a coach you either loved him or you hated him. We loved him! I can't say the same for our opponents. Our opponents only saw the highly competitive nature Larry possessed. We fortunately were blessed to see the lighter side of Larry. Those memories will be with me forever. Thanks Larry, we will truly miss you.*

“ *Mr. Bisbing was an important influence in my life. On and off the field. We spent a lot of good times together. He taught me how to hit a curve ball. Everyone that ever played for him knows that he taught us more than sports. I'm really going to miss him. Lucille, Lucy, Terry, Tom and Mark. Your Dad was a good man.*

“ *I hope, Larry's family truly understand the positive impact that "Coach Bisbing" has made on Hundreds of young men in Emmaus over years. Strong but caring - the best of times for many - "big brooms and little monkeys" - a positive comment from coach was what drove us -- and the after game get togethers and story telling of the games were the best of times . He loved the challenge and had the knack of taking the unpolished underdogs and making them winners...*

“ *At this time, I'm thinking of your family, and of mine. I'm thinking of the time that I still have with my dad, born within a couple of years of yours (1938), grew up within a couple of miles of yours (Walnutport), a high school athlete whose glory days informed the rest of his life... May Larry's love & strength carry you through, until you're back in each other's arms once more.*

“ *Lucille, You may not know me but I met Larry as a member of the HOA Board of Directors. He and I did not always agree, but he stuck to his guns and stated his opinions. I admired and respected that in him. I am sorry for your loss.*
