“ *I found this news, moments ago, and cannot believe what has occurred. Larry and I were friends, introduced by Girl Scouts. Our daughters were fast friends. I'm incredibly saddened... I will always remember his kindness, his sense of humor, and friendship to my family. May he rest in eternal peace.*

“ *Just found out today November 4th 2021 that my good friend Larry Steinborne passed away, we have the same Birthdays November 4th, he was a good loyal friend and a Baseball fan like me, and a good Father to Gaby,I will miss him! R.I.P. Larry. Jim Shinn*

“ I have known Larry for 42 years. He was not only my friend; but also I had my real estate license with him for years. He was so caring, friendly, helpful, kind and a great friend. I remember teaching him how to play tennis; which wasn't going to well for him. All of a sudden he threw about 5 balls across the court for me to hit at the same time. We both laughed hysterically; this is how I will remember my loving friend! I wish I could have met his daughter Gaby. Gaby your welcome to call me (239) 850-1483. He mentioned he wanted me to meet her a few years ago. She meant the world to him. Larry was at the dance clubs (going all the way back to Ramada Inn on 1st street & Brown Derby on College Pkwy) and events all over Lee & Collier County. EVERYONE LOVED LARRY! RIP

“ Larry had lots of social and professional friends in the Fort Myers area. He was a very smart guy, and a very great Dad as all of his friends know well. It is hard to believe that he is gone yet he is surely at peace with the Lord.

“ *It is with much sadness to hear of Larry's passing. I've know Larry for almost 30 years. He used to hang out with a big group of us at Shooter's on Friday nights. He surprised us all by getting up and dancing with everyone. He was smart and kind and loved his daughter, Gaby immensely. He was one of the best father's I have ever seen. I will miss his kindness and intelligent conversations.*

“ *Larry and I have known each other for well over 20 years. I remember days when we were involved with jazz events, late evening Talley. Although it has been years since we have spent quality time, I would occasionally run into him and we would get caught up. I just saw him a couple weeks ago in Publix and we had a nice talk . He was a good dad to Gabi and bragged on her all the time.*

“ It is with great sadness I learned of the recent passing of Larry and wish to extend my sincere condolences to his family and the many friends he made throughout the community over the years. If there was an event happening around town, you would often run into Larry, not just cultural events but at concerts, sporting events, breakfast meetings etc. he was always networking somewhere and helping others. Larry was such a devoted father to this daughter, instilling Christian values, making sure she was involved in Girl Scouts, Dancing lessons, Art and so much more. He was a friend and Board Member to Candlelighters of Southwest Florida for many years. May his family find comfort in your memories and realize one day, we will all be reunited again. May you rest in peace.

I was a longtime friend of Larry's and learned of his passing on his (and Gaby's) birthday 11/4/21. We met way back in 1965 when we were Freshmen at Aquinas College in Grand Rapids.

I had just emailed birthday wishes 11/3 saying he was the oldest friend I knew.

May he Rest In Peace.
