“ *Laura had been a neighbor and great friend of the Hipkind family in Ft Wayne for years and maintained the friendship after the Hipskinds moved to Ft Lauderdale in 1972. Richard and I married in late 1990, and I was immediately taken under her wing and welcomed to her world as only Laura knew how. She has been a true and loyal friend of mine ever since. She loved and adored Richard - I always loved her for that and for including me in her love and support.*

Laura was always a treat to be around, and her passing is a definite great loss to us all. Please accept my sincere condolences - and I, along with all of her family and friends, will miss her terribly.

“ We so appreciate your sharing Laura -who we all know as "Aunt Laura" -with us! She was a fixture in our childhood and a devoted friend of my mom and dad. She was a delight and always brightened the room. She will be missed. Please let us know how you would like us to remember her - favorite charity or cause.
