“ Lauri I remember when you were a little girl...you'd come over and climb trees with my children. Wearing tu tus with my daughter....sharing haircuts your mom gave. Your vibrant personality and radiant smile always lit up a room. Your intelligence...your quick wit...your ambition were all admirable. Your love for your children....your mama....your brothers....the rest of your family n friends was larger than life. RIP beautiful Angel.

Ninamarie - February 27, 2019 at 10:33 PM
