

Leah Bowers

November 12, 2010 - December 12, 2010

Leah M. Bowers, 55, medical transcriptionist, living in North Fort Myers, FL, was promoted to Heaven to live with Jesus on Dec. 12, 2010 after having fought a valiant battle against cancer. She was born November 12, 1955 in Rockford, IL. Her brother, Trent (Rhonda), was able to get here from out of town to be with her during her last days which was an immeasurable blessing for her. She was an avid animal activist as a caretaker of many outside cats whom would not be alive and healthy without her and also had Lance, her beloved Pomeranian dog and L.C., her cat. She was also an amazing songstress and seamstress - having outfitted many a bridal party for the most important day in their lives. She is survived by brothers: Trent (Rhonda), Randall (Gloria); sister, Dianna Copp (Art); many nieces, nephews and cousins including Kyle who practically never left her side; three devoted 'heart' sisters: Bonnie, Lois and Carolyn and many very close friends including BJ, Terri W, Terri W, Donna W. and many more who will do their best to continue her legacy of love. She was preceded in death by her parents, Leroy and Betty Bowers. In memory of Leah please make donations to Hope Hospice, 2430 Diplomat Parkway, East, Cape Coral, FL, 33909 and/or Animal Care Trust Fund, 5600 Banner Drive, Fort Myers, FL 33912.

“ Leah was fortunate to have such a wonderful fellowship of "Heart Sisters", they are the reason she had survived for 19 years with her cancer. They were always there. Leah had the strength at the end of her life to wait for her dear brother Trent to be at her side to say her goodbye. That gave her the closure she needed. We should all be so fortunate to be counted as one of her dear friends. I am one of the lucky ones. Leah was smart, loyal to those she cared about and stood up for what mattered in her life. "You go girl!" Her Pomeranian and the adopted stray and feral cats were a passion. They needed her and she needed them. Long live her memory in all of our hearts.
