“ *The days and nights we spent together & the times I took you home and walked you in and it seemed we loved the same things.*

"I can help" was always the song you asked me to play on the Juke Box.

You always made me laugh, your heart and mind so young & can only hope I'm as enjoyable to be around when I get to be your age.

Jerry Hency always called you "Ma" and he and I will always miss you so very much.

Don's will NEVER be the same.

Love,

She was deeply loved by all and will be missed. My deepest sympathy goes out to all of her family members and loved ones, and remember... Someone so special... will never be forgotten.*

“ Anne will definitely be missed. I so enjoyed her dry sense of humor and sarcasm - she was definitely one of the girls in Sarasota.
