“ We were very sorry to hear of Bob's illness and passing. He was a neat guy that I had the pleasure to meet through two fishing clubs: Reel Anglers and Cape Coral Tarpon Hunters. Bob was always there to cook at the grill for the CCTH Special Populations Kids Outing at the Yacht Club Pavilion. I've seen him catch a few tarpon, including one that was really big and took him a long time to get in but I am sure it created a great event and memory for him.

*"And behold, I am with you always, to the end of the age."
(Matt 28:20)*

We are praying for your family - please call if we can be of any service to you all.

I went to school at Putnam Tech with Bob and belonged to the Hot Sparks hot rod club at the same time as Bob. I hadn't heard from Bob since the Facebook page for the Hot Sparks went dormant. I was very surprised this morning to find that Bob had crossed over. RIP, old friend.
