“ Jay and Family.....this is our prayer, God our Father, We thank you for Buddy, the time we all had with him, the good we saw in him. Buddy was a wonderful husband, father, brother, uncle and friend. We are all sad now, but we know someday, through Your grace, we will be able to look at all of our memories of Buddy with joy. And through Your grace, we will meet again. Lord, please bless his family and friends with the strength and courage to continue on without him. We know Buddy is in your care and surrounded by your love and his family that have gone before him. We pray you bring peace to all of our broken hearts. In Jesus Name We Pray, AMEN

“ Words can not express the overwhelming feeling of sorrow we feel for your family and all our friends. One of my greatest memories of Buddy was when he taught my son Casey his knuckle ball pitch. That pitch became one of Casey's best pitches. My heart is very heavy for your family. I know the emptiness that you will be facing. Before Pete passed away he told me that passing away was the easy part. That living without him would be the hard part. Stay strong. We love you.

“ My heart is broken. So many memories when you were little. I always remember that little blue suit you got for Easter when you were about 5. You were so proud. I remember when you were a toddler and Dad brought home that big toy wrecker for you and he told us it fell off a truck in front of him. I knew he was telling a story. “ Sending my condolences to the family. You all are in my prayers and in my heart. My dear friend Buddy, even though we haven't seen each other in years, you were still a great friend and i will cherish the memories. May you rest in peace. And may your family find peace within.
