“ Dear Judy - I was shocked when I read about Len in the Westminster e-mail. Will always remember what a gentleman and kind person he always was. There are no words to heal your heart. You two always personified the picture of a couple who were meant to be together. Having lost a husband and daughter myself I know your pain. My prayers are with you. Hold your family and friends close for comfort. Ask for God's help.

Your neighbor, Ellie Byrne
