“ *Leonardo Garcia was a father of 3, husband of 30 years , brother of 10, uncle of 17 , and grandfather of 3. He was one of the funniest people you would of ever met. He always had a smile on his face. His strength was inspiring , even while going through what he went through my father managed to live normally with such strength , you would of never even thought of him being sick . I love him more than words can explain as do many other people . I hope you are flying high Papi and one day we will all see you again . Xoxo Te Amo*
