“ Rest in peace Leonya.

I still cannot believe you're gone.

May God comfort your family and give them the strength to bear your loss, amen.

I recall the last time Sveta and I saw you, when you shared your dreams for the future with us, you showed us the house you were building for your family in Naples Park, and your investment properties and gave us a tour of Naples and Estero.

You were looking forward to finishing your house in Naples and finally relaxing in the swimming pool, unfortunately, it was not meant to be.

I also recall how you showed up at the door to cheer Diana and I up upon learning that she had suffered an asthma flare, and that she and I were at home in North Port, instead of going to Universal Studios as planned, how we talked till late into the night, then ended up going over to your place and talking some more.

Rest in peace Leonya, you will be missed.
