“ *Lew will be forever in our hearts. He made us laugh. He made us cry while laughing. He was giving & kind. A friend to everyone he met. If you didn't like Lew he didn't care. He lived life his way until the end. We are all going to miss you Uncle Lew. He was a wonderful Uncle to our kids & a great friend.  
Fly high with the Angels Lew. Until we meet again.  
Love you,  
Wiedman Family*
