

## Linda Lou Bederson

February 26, 1949 - October 22, 2024

Linda Lou Bederson, a beloved wife, mother, grandmother, and friend to many, passed away in Lehigh Acres, Florida on October 22, 2024. Linda was born in Clinton, Iowa on February 26, 1949. She lived a life filled with love and joy until her peaceful passing surrounded by her family.

Linda is survived by her devoted husband, Steve Bederson; sons, John Resheske and his wife Chantal, Michael Resheske and his wife Pamela. Daughters, Jean Savage and her husband Rich, Megan Stewart and her fiancé Scott; as well as grandchildren Reagan, Grady, and Kinley Stewart and Trever Appleby. She is also survived by her niece Linda White and her husband Timothy as well as numerous other nieces and nephews.

Linda's life was defined by the love she had for her family. She cherished every moment spent with them and took great pride in watching them grow into the wonderful individuals they are today. Her unwavering faith guided her through life's challenges while also providing comfort during times of trouble.

One of Linda's greatest joys was embarking on road trips and cruises with her husband, Steve. They explored new places together throughout their marriage. Their bond grew stronger as the years continued.

In recent years, Linda found immense happiness attending the activities of her

beloved grandchildren- Reagan, Grady, and Kinley- who brought immeasurable light into her life.

Linda was also an active member in her church both in Florida and in Laverne. She loved teaching the little kids, whether it was teaching Sunday School or helping with VBS or Stomp on Wednesday nights. The kids could always count on Miss Linda to bring a smile, share a great message, offer words of encouragement, and she always had gum to give out!

*If you were blessed to have Linda in a season of your earthly journey then you She has left a void in when her savior called her home as He sang over her. Those of us that know Jesus Christ as our Lord and Savior we will meet again in our heavenly home with our journeys down. 🕊️❤️*
