

Linda Diane Hoshor

March 13, 1950 - May 6, 2025

Linda Diane Hoshor, lovingly known as “Shorty,” passed away peacefully on May 6, 2025, at the age of 75, after a long and courageous battle with cancer. Born on March 13, 1950, Linda lived a vibrant life full of creativity, generosity, and unwavering faith.

Linda was an artist at heart, a free spirit who found beauty in both her work and the world around her. She had a natural talent for landscaping, transforming spaces with her unique vision and care. A proud motorcyclist and the life of any gathering, Linda brought energy, laughter, and light wherever she went.

Her deep love for Jesus was the foundation of her strength, and she offered kindness and a helping hand to anyone in need. Her presence was a gift, and her absence leaves a profound void in the lives of those who knew and loved her.

Linda is survived by her siblings: Timothy Hoshor, Susie Hoshor, Janet Hoshor, and Mary Hoshor along with numerous nieces, nephews, and great-nieces and nephews who adored her. She was dearly loved by her family and friends, and her memory will continue to inspire all who knew her.

Though our hearts are heavy, we find comfort knowing that Linda is now at peace—made whole again in heaven, free from suffering, and reunited with her beloved parents and other cherished loved ones who passed before her.

She is deeply missed and forever remembered.

“ Her house in windmill village was my FAVORITE place to go with my gma and is where I spent a lot of time when I first moved down to Florida. Despite the age difference between us she ALWAYS made sure to spark up a moment and make sure we were having a good time!! And she loved sneaking strawberries and sugar or smoothies behind my gmas back!! Which were exciting things as a kid, she will be missed and never forgotten aunt shorty❤️

“ My dear great aunt shorty was a ball of fire! I remember when I went to Allen Park elementary school it would be the best surprise when she picked me up . She always made me my favorite snacks afterwards, a peanut butter and jelly sandwich with banana slices or apple slices with peanut butter . I always think of her when I eat a hot dog with onions and pickles because I had never had one until she made me one and I was a little skeptical about eating it but I loved it when I did lol. When she moved to New Mexico with us as children we loved being around her dogs and boomer was her baby I hope she got to see him again when she passed and now they are happy together. I will always miss her and the way she said my name so goofy lol she had quite the personality in voice ☐ may she rest in peace till we meet again!

“ I'm so grateful to be Linda's cousin, or "Cuzz," as we called each other.

I will always remember her big personality, her spunk, her mind of her own, her love for family, and her will to persevere.

Distance kept us from visiting, but I did get to visit her and her old dog Boomer in Ft. Myers years ago. She was so good to keep in touch on Facebook. I already miss chatting with her and reading her all-capital lettered comments.

Linda once made me a painted wood etching with an eagle against a beautiful blue sky. It hangs on my wall, and I enjoy seeing it and thinking of her when I walk past it.

“ My sister, Shorty, is the strongest, toughest woman I have ever known. She is my Hero! She fought a good long fight and never gave up!! Whenever times are tough, I think of her and how strong she was, and I keep pushing through. She loved Jesus and we enjoyed our times together especially our Sundays with Jesus. We would have the best times going to church, shopping, going out to eat - even though she was not allowed to eat...she would try anyways. We enjoyed chillin' together and watching our shows all snuggled up together. I miss her so very much. She was the BEST sister!
