Linda was born in Sewickley, PA on 04/11/70 to Alan and Anna Peterson. In 1976 she moved to Fort Myers, Florida where she attended Villa's Elementary, Cypress Middle, and Cypress High school. Linda worked in the restaurant business throughout her life sharing her positive and vibrant personality to everyone she met. Linda loved to visit the beach and would refuse to leave until she could view the sunset.

Linda is survived by her children Nicholas McGehee, Logan McGehee, and Olivia Grace St. Peter as well as her only granddaughter Kaia Rae McGehee. She also leaves behind her siblings Cindy, Laura, Jenny, Michael, Alan and numerous Aunts, Uncles, and cousins as well as many good friends.

“ I am so saddened by Linda's passing. Although we have not been in touch in recent years, I hold dearly to my heart all of our memories from our family trips to Florida and her visits her in New York. I have been praying the rosary for her and my girls and I have been praying for her throughout Lent. Much love to all and blessings to Olivia and her brothers, that they will be comforted.

Love,
Cousin Stacey (Price) Barrett

“ Linda Celina....you put the laughter back into my life when I was going through a very tough time! I have NO DOUBT God put our beaten paths in very same location living at the Beau! You were truly a God sent! A memory to share here...I had a first dinner date, and we planned to go to Rum Runners. Celina knew we were coming and she would be working then. She hadn't met this guy yet. She told me to pretend that she and I didn't know each other when we arrived. I knew she was up to something but trusted it'd be hilarious whatever she planned, so I did as she had instructed. Well, of course, we ended up at one of her tables. She was the very professional knowledgeable server as she was naturally, and kindly suggested I try the Mint Mojito for my cocktail. I said "absolutely, sounds good"! When she returned with my drink, she placed it in front of me and then flashed her big beautiful smile at us, saying, " This is one of my most favorite drinks!" In between her teeth, she had stuck a huge piece of green Mint! I bursted out laughing so hard, I could hardly get my breath and you can image what my date must have been thinking! This is just one example of the many fun times we had! I have no doubt she is bringing laughter and joy in abundance throughout the heavenlies. ❤️❤️❤️❤️❤️❤️❤️
