“ Lisa was such a special and strong-willed person. She did her best to help out others and brighten up their day, despite her own struggles and dimly lit days. She fought through such pain for the love of her family and friends. Her young fighting spirit lives on through those she touched. My thoughts, heart, and prayers go out to her family and the love's of her short lived life...her beloved children. Please don't hesitate to call if help is needed or the kids just need time with their friends!!! Please don't hesitate!

“ Dearest Friends,

Our heartfelt sympathies go out to you all. We know there are few words that can be said to ease your pain, but we send our love to you all. In the short time we have known Lisa, we were always impressed by her strength and perserverance. She was such a strong woman who overcome so many obstacles in her much too short lifetime.
