“ Peggy, I am so sorry to learn of Terry's passing. You and he are such good people. Just seeing your name reminds of our youth in Frenchtown and other lost friends. It is so sad that we lose touch through the years. Say hello to Barry for me.

“ Peggy, I am so sorry to hear of Terry's illness and passing. There are never any words at this time that can adequately express the sorrow that friends and family feel. I always felt love and friendship and family when I had the pleasure of your company. I am sorry that I didn't take advantage of the opportunities we had when you and Terry came down for your yearly migration. But, I will always cherish the times we did share and how Terry was always so welcoming and gentle...and he gave great hugs. I love you both and will keep you in my prayers.

“ Thank you, Terry, for being such a wonderful husband to my sister. It takes a special person to marry into the Margaritondo family and you epitomized all those qualities - patience, kindness, forgiveness, love, and caring. You will be greatly missed by all.
