

Lorraine Hazelrigg

April 4, 1949 - October 27, 2021

A beautiful friend, sister, wife, and mother, is at peace.

Married to her high school sweetheart, Steve for 54 years.

She worked her way up to assistant Vice President, at Harris BMO Bank over 30 years.

In her early retirement years, she enjoyed providing friends and family her in home nail services.

She was a faithful sports fan and enjoyed watching her birds and Michelle's Grand-Pugs.

Her cookie trays for the Holidays were eagerly awaited and requested.

She will be deeply missed.

“ Words are hard to come by these past few days. Losing a family member is never easy. Luckily, we have so many memories. Lorraine was a people person. She was always the one to schedule family and friends gatherings. They ranged from holidays, summer picnics, to day trips to Chicago, Lake Geneva, Long Grove, and weekend getaways to Door County and Galena. Let's not forget, the one man band would be some of the entertainment. I wish I had a picture of that. Cell phones weren't available back then LOL. Her other activities were bird watching, flowers and baking. She had such a green thumb, she could extend or make an African Violet and Poinsettia re-bloom. Let's talk about the cookies at Christmas time. Everyone was waiting for those. We aren't talking normal cookies either. There was some sweat and tears in those. Planning for weeks and adding new varieties each year. Steve did help on occasion:-). I could continue, but I hope others will send in their stories as I know there are many.

My siblings and I will miss our sister, along with her husband, daughter, many nieces and nephews, cousins, aunts, friends, and the birds.

Thank you for being a loving and caring person. We are all blessed to have known you.

Rest In Peace dear sister, and give a hug to mom for us.

“ My dear sister, Lorraine, had a kind, tender and generous heart toward every person and animal she encountered. She and Steve hosted many family and friend gatherings at their welcoming home. They always had plenty of delicious food and fun entertainment, whether it was a backyard pool or a hot tub. Lorraine initiated our wonderful family Christmas Eve celebrations that continue. Before their move out of Illinois, we missed only one Christmas Eve together in the past 50 plus years, because of a snowstorm. Lorraine was always searching for the next activity, dinner or get-together to enjoy time with each other. I always admired her solid work ethic and attention to detail that came easily to her. She retired once, then decided to work a bit more, and then retired again from banking, only to work from home. It's not easy to let Lorraine go. Our family misses her already. Rest in peace and without pain, my cherished sister. Lorraine will always be in my heart. In sympathy and love to Steve and Michelle at this difficult time. Liz

“ So many wonderful memories, she was such a generous person. She was always thoughtful and kind, sending beautiful cards for all occasions. She was an excellent baker, and made wonderful treats, especially around the holidays. There were always beautiful flowers in her yard and enjoyed sharing tips. So glad for all the things we did together. Blessed to have her in our lives, she will be very missed.

“ On All Saints Day, remembering our happy memories of our sister, Lorraine. She was a loving lady who cared deeply for all family, friends, and everyone she met. She was always thinking ahead, planning every detail, the center stone of all family gatherings. My sisters and I, along with our spouses, and her nieces and nephews, will forever hold her in our hearts. Miss her smile, her sense of humor, and knowing that she was just a phone call away. Comforted that she is resting peacefully in heaven with all family who have gone before her. Wishing Steve and Michelle peace in the days ahead. With heavy hearts, Bob and Leanne Setlak

“ As a kid we always looked forward to going to Aunt Lorraine's and Uncle Steve's. Not technically my Aunt but as I was growing up she might as well have been. She was caring, ensured everyone was taken care of, and was could be counted on for LOTS of laughs!! Lots of good memories: sleep overs, concerts, and even a last minute road trip to St. Louis. Rest in peace. Our condolences and prayers go out to Steve, Michelle, Karen, and the rest of Lorraine's friends and family.
